

## ClearGage Product Modules:

| Administration | Manage Patients | Transactions | **Reports** | Data Exchange | Resource Center |

The **ClearGage Payment Accelerator™** is a HIPAA and PCI compliant web-based software product designed to calculate, process, and collect your patient's medical payments quickly and cost-efficiently at the point of service. The software is comprised of several distinct modules that when combined, offer one of the most intelligent and comprehensive healthcare payment solutions available.

## Reports

Monitor and track your company's performance around the clock with the **ClearGage Payment Accelerator's** comprehensive reporting feature.

*Standard reports include:*

### Transaction Summary

View transactions by card type Visa, MasterCard, American Express and Discover or checking/savings accounts. Sort transactions using customized or ad hoc timeframes.

### Transaction Detail

See the transaction details of individual payments sorted by patient name, patient account, encounter ID, patient ID and transaction amount.

### ClearGage Fees

In the spirit of full transparency, you can review all of the fees you've incurred from using the ClearGage Payment Accelerator – even on a daily basis.

### Payment Plans

Review current payment plans in both summary and detail modes.

### Collection Forecast

Forecast cash management by reviewing all scheduled payments for a specified period.

### Custom Reporting

Data can easily be downloaded into CSV or Excel or exported directly into your practice management system and/or your accounting software.
