

## ClearGage Product Modules:

| Administration | Manage Patients | Transactions | Reports | **Data Exchange** | Resource Center |

The **ClearGage Payment Accelerator™** is a HIPAA and PCI compliant web-based software product designed to calculate, process, and collect your patient's medical payments quickly and cost-efficiently at the point of service. The software is comprised of several distinct modules that when combined, offer one of the most intelligent and comprehensive healthcare payment solutions available.

### Data Exchange

Improve and optimize your revenue cycle performance and reduce administrative costs. The **ClearGage Payment Accelerator** features a robust Electronic Data Interchange (EDI) translator that enables the application to communicate with any HL7 or HIPAA compliant practice management systems, medical claims clearing houses or other trading partner.

*Exchange data with your:*

#### Practice Management System

- Reconcile all payments, including explanation of benefits (EOBs) and insurance payments
- Import patient schedules
- Export and import in data in Excel and CSV formats
- Designed to process a variety of transaction sets

#### Claims Clearing House

- Receive direct feeds from any HIPAA or HL7 compliant medical claims clearing house
- Use the our built-in medical claims clearing house partner to access hundreds of third-party payers free of charge

#### Merchant Accounts

- Use any third party payment gateway – there's no need to change merchant accounts
- Choose one of our preferred merchant resellers for special pricing

### About Us

**ClearGage, Inc.** is revolutionizing the way medical providers do business. By developing innovative healthcare payment solutions and services that employ revenue cycle technology and are HIPAA/HL7 compliant, we're doing our part to bring retail to healthcare and simplify the process of calculating and collecting payments.
